Description

A haven of peace, La Tsombe is an unspoilt hamlet in the heart of the Vallée de Bagnes, home to a beautiful 4-room chalet on the heights of Montagnier.

The chalet has 295 m² of living space spread over two levels, with a spacious living room under a framework with an exposed beam. Built in 2002, the chalet also includes a studio apartment on the ground floor.

Set on a plot of more than 1,760 m², the property has a vast expanse of land offering the possibility of building a second chalet. Four outdoor parking spaces complete the property.

This chalet is available as a secondary residence for Swiss residents or with a B or C permit.

Don't miss the chance to discover this little slice of paradise!
